Sexual Health Sheffield

Meeting your sexual health needs

A service provided by

Sheffield Teaching Hospitals 
NHS Foundation Trust

For STI screening call (0114) 226 8888 in the morning to be allocated an appointment for the same day. You can also call this number to book future STI screening appointments.

Bookable and walk-in appointments are available for contraception services.

The Youth Clinic for young people aged 19 and under is a walk-in service. Sexual Health Sheffield and Sheffield Futures also offer a sexual health drop-in for young people on Tuesdays from 3.30pm-6pm (last appointment 5.30pm) at Star House, 43 Division Street, S1 4GE (use side entrance on Carver Street).

If you are aged 16-24 you can also order a chlamydia/gonorrhoea screening kit directly from our website bit.ly/TestkingKit We will test your

sample and if you have an infection we will contact you discreetly and confidentially and offer you treatment.
