

Patient Partnership Department

The Patient Partnership Department listen to and learn from the views and experiences of patients, both good and bad, so that we can ensure that patients are involved in planning, evaluating, and improving the quality of services.

The key focus of our work is to improve the overall patient experience at Sheffield Teaching Hospitals.

Sheffield Teaching Hospitals
NHS Foundation Trust

Integrated Care Team Therapy

The Patient Services Team can be contacted:

Monday - Friday 9am - 5pm

 **0114 271 2400**

via email on **PST@sth.nhs.uk**

Outside of this time, people can leave both telephone and email messages for the team to respond to on the next working day.

Therapy offer:

- Rehabilitation and treatment to maintain and improve your independence in your own home
- Therapy visits may occur 7 days a week between **8.30am – 5.30pm**
